How to use this guide

Every page spread carries key information to signpost exactly what section you're in, the name of the range you're looking at, the finish, the colour and the features of that particular section.

Colours
We strive to ensure that the images and colours represented in this brochure are as close to the final product as we can make them.

Before making your final decision, we recommend that you ask your retailer for a sample door. Our brochures are great, but nothing compares to experiencing the product close up.

Icons
Our simple icons highlight the benefits of our bedrooms at a glance. In this example, it's a Made to Measure range, manufactured in the UK with a 6-year guarantee.

Where you are
This area indicates what collection you're in (Contemporary or Classic) and what finish you are looking at (gloss, matt etc.)

It's all in the name.
With every image there is a title.
The first word in **Bold** is the range name, e.g. Zurfiz/Bella/Valore.
The next piece is the colours of the Bedroom shown.
In our Bella range you will see a Style as well.

See pages 104 -107 for an overview of all our ranges, colours and styles.

THROUGHOUT THIS BROCHURE, YOU'LL SEE OUR ICONS.

THESE ICONS ARE YOUR QUICK AND SIMPLE REFERENCE TO PRODUCT AND SERVICE BENEFITS.
